

SINGLE SOURCE SOLUTION PROVIDER

PAK-HUB Holdings, LLC is your single-source, turn-key solution provider for all of your packaging needs. From branding and label design to bottle decoration and product development, we are your one-stop shop to make you and your products successful.

1 PACKAGING & FILLING

PAK-HUB offers custom blending and filling services for non-ingestible products. We handle a wide range of product types, viscosities and container sizes between 2oz and 5 gallons are ideal. For more information or to discuss your product specifically, please feel free to give us a call.

2 LABELING

Along with our filling services, PAK-HUB offers a full compliment of container decorating services. Full body shrink sleeves with steam shrink and front/back pressure sensitive and 360° wrap labels are all part of our core offerings.

3 Warehouse Services

From 10 pallets to 500 pallets, if you need a warehousing partner, PAK-HUB is here to help. We offer a \$20 per pallet fee, with all the protections of a 3PL service but none of the surprises when you receive your invoice. PAK-HUB is committed to transparent relationships that bring value to our customers everyday.

Sourcing & Creative 4

If you have a new product concept but aren't sure where to start, our team can assist with everything you need to put a quality product in the marketplace. Still struggling with package design and need a creative team? PAK-HUB maintains strong relationships with creative teams across the southeast.
